Judi: Wish list for Religious Ed includes a new PC that will be able to connect to the current printer. May crowning will be held this Sunday and Judi will have flowers for everyone. Starting to plan next years' calendar. There are a couple of families that will be contacted to see if their children will be attending. They are attending mass so their kids are welcome at class. VBS starts in May and they still need help. Will know more after the meeting on the 24th. Still need teachers for next year and this will go in the bulletin.

Deacon and Pastor's report:

Deacon Greg: Parish Life Committee met and they are scheduling coffee and donuts after mass and will not do this until September. Would like schedule the 2nd Sunday of each month from then on.
